

## Directions

From the M5 South: Stay on the M5 until it ends (junction 31). The road then splits into the A38 and the A380. Take the A380 (left hand fork) and then turn off onto the B3192 into Teignmouth. When you reach the traffic lights at the bottom of the hill, turn left, go straight over the next roundabout, pass the Fire Station on your right and park in the Co-Op store car park adjacent to the Fire Station.

Exit the car park on foot via the short flight of steps at the end. Walk under the Welcome to Teignmouth sign and into the pedestrian area. Cross over Wellington Street into the pedestrian precinct. Walk towards The Fountain and turn right onto Waterloo St.
